

PAPERLESS SHAREHOLDER NOTICES

To elect to receive shareholder notices electronically rather than on paper via U.S. Mail, you can choose to enroll in LPL Financial's online access at InvestmentDelivery.com. Enrollment will offer on-line delivery of many investment related notifications such as Prospectuses, Semi-Annual Reports, Annual Reports and Proxies. Not all issuers are utilizing this on-line service at this time. While enrollment will reduce the amount of mailings, it will not eliminate all of them.
